SUPPLEMENT I

Modified or Flexible Hours of Work

- (1) This supplement sets forth terms and conditions of employment to be observed where the Employer utilizes any form of modified or flexible system of hours of work.
- (2) The Parties agree that Employees and the Employer may examine the feasibility of entering into a modified or flexible work week system. Provided that services are not adversely affected and there are no operational difficulties, the Employer may implement a flextime or modified work week system of hours of work, but participation by an Employee in such systems shall be voluntary.
- (3) The Employer has the sole right to determine the number of Employees who are required to be at work. However, upon entering into a flextime system, the Employees are entitled to have the first opportunity to plan their work schedule whereby they may arrange their starting times, lunch periods and finishing times on a daily basis, in keeping with the Employer's operational requirements. Employees shall have the opportunity to make up time lost during the flex period due to late arrival, subject to approval of the Employer.
- (4) An Employee participating in a flextime system of hours of work will be allowed a ten (10) hour carry over, either in the way of a bank or a deficit, and regular monthly salary shall be paid provided the Employee's time is within these limits and the variance is approved by the Employer. An Employee may not accumulate a bank in excess of ten (10) hours, and if at the end of any month the deficit is more than ten (10) hours, the Employee shall be deducted for those hours that are in excess of ten (10) hours. Hours shall not be banked unless the Employee has actually worked more than normal daily hours.
- (5) The banked hours may be taken, as time off with pay in subsequent months; Employee preference in this regard shall be honoured subject to operational requirements.
- (6) Authorized overtime hours worked outside of flex or core times may not be used to cover off deficits pursuant to Section (4) above.
- (7) In the event the flextime or modified work week system of hours of work does not result in the provision of a satisfactory service to the public, or is deemed by the Employer to be impractical for other reasons, the Employer may require a return to regular times of work in which case Employees shall be provided advance notice of one month.
- (8) An Employee who is working according to a flexible or modified work system may opt for regular times of work by providing the Employer advance notice of one week.
- (9) Employees working according to a modified work week system of hours of work will have all benefits and entitlements pro-rated accordingly and there shall be no loss or gain in Employee entitlements.
- (10) Where applicable these provisions shall have force and effect in lieu of Articles 15 and 16 of this SAIT Agreement.
